

Notice of Public Information Centre Kingston Regional Biosolids & Biogas Facility

Utilities Kingston is undertaking a Municipal Class Environmental Assessment (Class EA) for a combined biosolids and organic waste processing facility at Knox Farm, a municipally-owned property located off Perth Road just northwest of the Highway 401 and Division Street interchange in the City of Kingston (refer to proposed project location map). The intent is that the facility will process wastes from the City's wastewater treatment plants and "Green Bin" program to produce a renewable natural gas (biogas) and other beneficial resources.

This study is being carried out in accordance with the planning and design process for Schedule 'C' projects as outlined in the Municipal Class EA (October 2000, as amended).

Proposed Project Location Map

Stakeholder engagement and Indigenous consultation are key components of this study. Members of the public, regulatory agencies, Indigenous communities, and other interested persons are invited to participate.

Utilities Kingston and Dillon are hosting an in-person drop-in style public information centre and a virtual public information centre on **March 27, 2024** to provide you with an opportunity to review, ask questions, and provide input on the evaluation of the alternative design concepts and preliminary preferred design concept.

In-Person Session Drop-in from 4pm – 8pm Utilities Kingston (main office) 85 Lappan's Lane, Kingston, ON	Virtual Session Presentation: 7pm – 7:30pm Discussion: 7:30pm to 8pm
Use the front entrance. Parking is available in the front and back of the building.	Register for the session here: https://us06web.zoom.us/meeting/re gister/tZUodeiqrz8sHdI26LIzozja8J1 EWwpdDdbK
